Фелиноложкият съюз обединява всички хора с интерес към Световната фелинология.

Централният офис FELINOLOGY BULGARIAN UNION има един регистър. Племенната работа е построена върху работата на развъдниците. Съюзът регистрира раждане на чистокръвни котенца. Оформя родословие и сертификати. Провежда изложби по системата на WCF. Съюзът провежда и семинари по Фелинология. Централният офис FELINOLOGY BULGARIAN UNION предоставя широка рекламна поддръжка на развъдниците в нашата Асоциация.

Членството в нашия съюз може да бъде индивидуално и колективно.

FELINOLOGY BULGARIAN UNION

is interested in using the best traditions and experience of the World Felinology.

FELINOLOGY BULGARIAN UNION headquarter maintains unified Pedigree register.

Breeding work is based on cattery breeding. The association registers birth of pedigree kitten, and issues pedigrees and certificates.

Organization works on WCF rules. FELINOLOGY BULGARIAN UNION provides Felinology training courses based on its own methodology.

The headquarters supplies clubs and leading breeding nurseries with wide advertising support.

The membership in association can be granted for both clubs and individuals.
